Cigarette Tobacco

Save **25¢** an ounce every month during our Buy-In!

Purchase cigarette tobacco from the 1st to the 7th of the month. We ship fresh off the pallet REDUCING COST and SAVING you money.

Escalating penalty payments by most tobacco companies are causing sudden price changes industry wide. We still offer competitive prices and our buy-in savings each month, but must pass along higher costs, sometimes, with little or no notice. Tobacco tax may be added to your order and restrictions also vary from state to state.

Please accept our apology for your inconvenience in this unstable market. - Thank you.
